

# SPEAKING & TRAINING ENGAGEMENTS

**PREPARE TO  
LAUNCH U**

At *Prepare to Launch U*, we guide women through challenging work-life transitions, and help companies create cultures and establish policies that attract, retain, develop, and *advance* the best female talent.

We knew our work was important when we opened our doors in 2018, but we had no idea that a global pandemic - and the resulting mass exodus of women from the workforce two years later - would make it vital.

These women are returning to work changed *people*, demanding a changed *workplace*.

Are you and your organization ready?

We are work-life experts.  
Let us **prepare** you and your team.

Backed by 30+ years of work-life data, and careers spanning Fortune 50 Management, Technology, Education, Recruiting, Consulting, and Coaching, we understand the workplace challenges you face *now* - and can help you anticipate and address those *to come*.

Let us help you build balanced, loyal, high-performing teams through facilitated group discussions; employee focus groups; executive coaching; and lively, engaging instruction on custom topics or any of these popular and timely themes:

- Welcoming Women Back from Career Breaks
- Creating and Leading a Flexible Workplace
- Building Sustainable Work-Life Synergy
- Developing and Leveraging Female Leaders
- Maximizing Multiple Generations at Work
- Mastering Mindsets for Success
- Planning and Executing Successful Family Leave

Trusted leaders, at premiere organizations across the country and globe, trust us to educate and inspire their teams. Recent engagements include:
